BLAZER Bangin' On The Blizzard BattleNet: Zerg Rib Shack (song Storyline)

The Story So Far ... and now...!

I play Random generally in StarCraft 2 and wanted to dedicate a song to system my favorite team to play. =) (system selection! =^_^=) In 2013, I peaked on my account by reaching **Platinum 1v1 Rank 1, Platinum 2v2 Rank 1, and Platinum 3v3 Platinum Rank 1** Foxtrot Delta [if I remember right.] (4v4 Rank 2* Gold. *Peak.) While waiting "in-line" online for the next game, the clicks in-song ride an outer space craft in-route to next match (hey! Vehicles that are astronomical are indeed "StarCraft" =3 Satellites. Rocket ships. Space stations.) The vocals in this chill track give a feeling of waiting and are complimenting the DJ who dares travel in space... **"BLAZER Bangin' On The BLIZZARD BattleNet:"** "Random Start - System Selects (Original Mix):" More clicks. ☺

Completely composed in **Ableton Live!** (endorsed by TIGER M ^_^) With Ableton Live! Full Audio On!

*A Blazer is a college student at VSU (Valdosta State University)

Credits

Special thanks to **Microsoft** for housing a "Digital soul" [Metaphysical area behind the physical computer] For which the **Nexus 2 Synthesizer** could be contained within the **DAW** [Digital Audio Workstation] **Ableton Live!** =) MEGA thanks to **BLIZZARD Entertainment** for a more than innovative video game which [judging by the credits after completing Heart of The Swarm...] took so many people -- **George Lucas** and the **Star Wars** Franchise may verily-well be quadruple outnumbered in cast-and crew to tell a story! ^^ (I'm sure it takes a lot to set the metaphysical properties sharing the story of the inimitable tale of **StarCraft!**)

Uber-thanks to **Google/YouTube** for allowing me to place my music and **Newgrounds** as well-- These distribution channels are Lifesavers for independent / prolific musicians, authors and artists =) Without **Dreamweaver** I would not have a place to "Put" beyond physical walls: so Thank You **Adobe** =) **Adobe** gets props non-stop for **Photoshop** (=O and **Premiere Pro** of course ^_^ **VirtualDub** team—w00t!

Want to close this out giving a SUPER Thank You to all of You who are listeners + friends online and offline who enjoy / continue to enjoy my music and written Shapes of Thought shared-- Thank You all =)

This ends a page in **Microsoft Word** [didn't intend to keep You too long =)] and brief storyline for **"TIGER M - Random Start - System Selects (Original Mix)"** from **"BLAZER Bangin' On The BLIZZARD BattleNet"** [Album Track 4] OM **"(Original Mix)"** You will find important later as the Instrumentals are all in the OM but the **Full Vocal Mix (FVM)** (Music plus recorded song vocals) are still incomplete at this time... but indeed are cued. [expect extremely professional production (mainstream level) ☺].

Initially all eight tracks [Original Mixes (Instrumentals / Music tracks) and Full Vocal Mixes (Music+lyrics)] were intended to be released with You in mind. All word- (lyric) writing is complete though! Indeed!

"Happy Halloween 2016!" Cruise on ~ ~ ~ Stay Awesome

This Writing (Page Four of Four) Completed Today:

Forever In Love With All That Which Exists,

(That Which Is Seen & Unseen, Known & Unknown)

- Writer, Artist, Musician, DJ, Producer, Eternal Student & Being of Existence,

-BAM! P E F. WAM! D A P. DJ, TIGER M ^_~* Tiger M. Gales [Continuation Day 2016!]
