BLAZER Bangin' On The Blizzard BattleNet: Nexus of Protoss Nexus of Keyboards (song Storyline)

The Story So Far...

"BLAZER Bangin' On The BLIZZARD BattleNet" started in a single word: **Nexus**. Playing **StarCraft 2** like Polt or Scarlett and seeing fellow musician and DJ Armin van Buuren review **Nexus 2** (then new to me) guided an idea like a Protoss Probe Placing a Pylon: tribute the **Nexus Keyboard**--it is as the **Nexus** [in word] from which the probe has come. And so word is born and as baby would like to cry-- that is-- unless given attention! And so... the idea became a tribute and the tribute to **Nexus** began...

Completely composed in **Ableton Live!** (also endorsed by Armin van Buuren) With the New **Nexus 2**.

*A Blazer is a college student at VSU (Valdosta State University)

Credits

Special thanks to **Microsoft** for housing a "Digital soul" [Metaphysical area behind the physical computer] For which the **Nexus 2 Synthesizer** could be contained within the **DAW** [Digital Audio Workstation] **Ableton Live!** (=) MEGA thanks to **BLIZZARD Entertainment** for a more than innovative video game which [judging by the credits after completing Heart of The Swarm...] took so many people -- **George Lucas** and the **Star Wars** Franchise may verily-well be quadruple outnumbered in cast-and crew to tell a story! ^^; (I'm sure it takes a lot to set the metaphysical properties sharing the story of the inimitable tale of **StarCraft!**)

Uber-thanks to **Newgrounds** for allowing me to place my music and **Google/YouTube** as well-- These distribution channels are Lifesavers for independent / prolific musicians, authors and artists =) **Adobe** gets props non-stop for **Photoshop** (=O and **Premiere Pro** of course ^_^ **VirtualDub** team--w00t! Without **Dreamweaver** I would not have a place to "Put" beyond physical walls: so Thank You **Adobe** =)

Unable to close this out without giving a SUPER Thank You to all of You who are listeners friends online and offline who enjoy / have enjoyed my music and written Shapes of Thought shared-- Thank You all =)

This ends a page in **Microsoft Word** [didn't intend to keep You too long =)] and brief storyline for **"TIGER M - Nexus of Protoss Nexus of Keyboards (Original Mix)"** from **"BLAZER Bangin' On The BLIZZARD BattleNet"** [Album Track 1] **"(Original Mix)"** (OM) You will find important later as the Instrumentals are all in the OM but the **Full Vocal Mix** (Music plus recorded song vocals) are still incomplete at this time... but are in cue. [expect extremely professional production (mainstream level)]. Initially all eight tracks [Original Mixes (Instrumentals / Music tracks) and Full Vocal Mixes (Music+lyrics)] were intended to be released with your convenience in mind. All word-writing is complete though! "Happy Halloween 2016!"

This Writing (One Page) Completed Today:

Forever In Love With All That Which Exists,

(That Which Is Seen & Unseen, Known & Unknown)

- Writer, Artist, Musician, DJ, Producer, Eternal Student & Being of Existence,

-BAM! P E F. WAM! D A P. DJ, TIGER M ^_~* Tiger M. Gales [Nausicaa Day... 2016!]
