

This hopin' "Hip-Jig-Dance-Melody-Driven-Jam" is the official
"WHO IS TIGER **M**?" Campaign Theme.

An original video release for this track is in the works.

Right now I shall remain 'hush-hush' regarding it,
But I am sure you will enjoy it when it is complete! ^_^
[or At least hope so! ^^]

For now, kick-back, relax, chill-out-and-enjoy-the-rhythm-&-harmony
And you may just agree!

"Now THAT'S an Attention Getter!" ^_~*
