

This Version doesn't do the 'random Semisonic Record' switch. =)
I only first heard the "Semisonic" track for the first time in 2008! XDD

The song so-happened to meet my ears whilst this dark-dance-quirk track was in production, so I modified the sound clip and inserted it during sets for a comedic [but very-well-meant] relay-of-personal-thought [regarding Life & Death].

One "Sleep-With" = Life-Born.

The "Life-Born" eventually leads to a "Sleep-With-Death."

One "Sleep-With-Death" leads to—whatever happens after our meeting with "Death!"
[And I'm in no hurry to find out! XDD]

And that meeting [may] eventually lead to "Life" in my most humble opinion. =)

That new "Life..." will later see "Death..." and that "Death..." shall lead to "New Life..."

And so the cycle continues.

[Just look at the grass and plants during the spring, summer, fall and winter months! ^^]

However, for those who wish to dance without this 'personal pause of thought,' and may wonder 'Why Semisonic / A Random Rock Skit!?! O.o;' Here it is! =D

The "Music Focused Version!" =D

Enjoy! ^_~*
