WILL
SMITH

VS.
TIGER M

Askewinverse's dirtiest street corner dope-dealer & rapper vs. Hollywood's cleanest Actor & Rapper! ^^

Jay decides to take up a professional rap career.

His first Official battle is vs. Will Smith whom Eminem protests against at the grammies.

Jay's limited lyrics may put him at a bit of a disadvantage... ^^; Votes anyone? =)

Forever In Love With All That Which Exists
(That Which Is Known & Unknown, Seen & Unseen),
Honestly, Humbly & Sincerely,
