

The remixed Crank That (Soulja Boy) played in the video Soulja Boy Soap [WRV] video game vid [See TM Videos].

Created before "Soulja Boy" was signed to Interscope Records and therefore before the "mainstream mastered" version i.e. this remix is based off of the rough-sounding original that called club-goers to the floor & to "Crank That Soulja Boy," "Crank That Lion King" and "Crank That Mario" XD]. Enjoy... or not. =)
