

A TM Dance Remix of the the cool  
African Hip-Hop Group T.O.P.

What may be mistaken as a 'guitar' really isn't. ^^

It's the manipulated vocals of one the group T.O.P. members that tends to make this remix unique. =)

Spacey! XDD

[[Like my mind sometimes... Whoooooah \*Attempts to catch wandering mind... \* Fails. XD]]

Feel free to enjoy this Jam-Dance-Groove! ^\_^

'Language Barriers' shouldn't be an issue for this Remix because it is pretty much fully 'rhythm-driven.'
