

I thought Wanyegrow was a despicable character, so I threw this together  
On impulse upon reviewing the excellent film HEAT...

Enjoy! =)

Credit To Bon Jovi for the song "Shot Through The Heart"  
Kudos to Director Michael Mann, Producer Art Linson & Warner Bros.  
and all affiliated with hand in creation of Heat: the Block-Busting Hollywood  
Action Thrill Ride! =) Starring Michael Mann, Val Kilmer, Robert Di Nero  
and Al 'Scarface' Pachino. ^\_^
