

How's it going everybody! ^_^

I certainly hope well! =D

This would be the first of several Rushuna Tendou [**Grenadier**] AMVs to come. :-)
[Over a period of time. There are several productions in process so stay tuned! ^_~*]

A special thanks and tribute to everyone's favorite [yet somewhat under-rated—I think]
Bust-Bumping-Bullet-Bouncing, Honesty-Wielding-Never-Killing Teenaged-Pacifist! ^_^

It should be noted that in creating this AMV, my desire was not to create anything “Historical.”
[If you want to see something more complex-with-effects, then see my other videos].

The idea here was to ‘sum up’ *some* of my favorite scenarios from this fun-to-watch anime! ^^
[After the full and well-timed opening].

I actually came upon this idea while multi-tasking on my “Video PC”
[By no mistake named Rushuna-Haruhi: The Success Machine! ☺].

I was listening to the [**then**] newfound-Gackt track Vanilla.

I had heard on Kawaii-Radio. A SHOUTcast internet radio station specializing in anime and
video game music that I think should get more attention and recognition! =)
But then again... Internet Radio is still relatively new I'd suppose. ^_^

When Gackt's song “Vanilla” came on, I was reviewing the intro to Grenadier in the awesome
VLC Player. At the time, I had no intention to create an AMV.

However... as destiny would have it—I mistakenly placed VLC on Mute with the KB-shortcut.
Vanilla came on—and well... the intro just synced up so nicely to the track... I was like...

OH MY GOSH! XDD

And so thus the TM no Rushuna Tendou/Gackt-Vanilla tribute [**idea**] was born! ^^

Feel free to enjoy! =)

You may download this AMV for personal pleasure as well as my other videos at:

Hint. There is something for everybody—but not everything is for everybody. ^_~

Feel free to donate! [**Or don't**... XDD]

But whatever you decide to do...

Please...

Enjoy! =)

May Athena and/or Allah—Jesus and/or Gautama... The Supreme Ultimate/God...

Our Creator! XDD [& **All Assistants... Including YOU and those you know!** ^_^]

Be with You. ^_~*

P.S. Expect at least *two* more Rushuna Tendou based AMVs in the very near future
[**within two year's time**].

I am *so* in love with this blonde-and-bubbly pacifist. =)

It is not so much her 'look' that impresses me
Although certainly... her outfit(s) double-rock! ^_^
Not to sassy, not over-classy—and with a honey-drop-and-touch of 'sport.' ^~

It is her persona [**character**] that most intrigues me.

She is Playful-yet-Sincere
[Read: Happily-Serious].
Dutiful-yet-Ditzy.
Self-Conscious-but-Confident.

It still baffles me why is to though a search result for "Rushuna Tendou / Tendou Rushuna"
Yields only but 8,490 searches as of this writing. :/

But...

Mai li Ka... ^^;

For the time being—
She certainly is 'one-of' My Vanillas! ^^

And an all time favorite anime character of mine
'Til the second part Leiafteh! =)

But let me shut up for now yes? ^^;
Enjoy the AMV! ^_^

Forever In Love With All That Which Exists
(That Which Is Seen & Unseen, Known & Unknown),
Honestly, Humbly & Sincerely,
