

Ah, indeed. ^_^

This was my 'gift to the new year' [Released Jan. 1st] and it would appear
That the bit-o-feedback I received from it has been comical and highly
Enthusiastic! ^_^

There's just something about 'dancing cats' eh? =)

To be completely honest, my favorite is the large ivory cat
(That dark-to-light-double-play was certainly meant as a joke! XDD)

I've had some questions regarding what the "Fatwa" [**Angry Curse**] on
Mickey Mouse was all about. All I've to say is—Google it! XDD
[**It wasn't my ideas! XDD I love me some Mickey and Walt Disney so um...
yeah... modified the video—but the reference isn't a personal thought, but a
reference to an 'action of society!' ^^;! ^^**]

Enjoy the party! ^^

And **H**appy New Year! ^_^

Forever In Love With All That Which Exists
(**That Which Is Seen & Unseen, Known & Unknown**),
Honestly, Humbly & Sincerely,
