

**The Melancholy

(SEASON 2)

Heya! ^_^ This is an AMV collage of the 'Eerie' Deja Vu Episodes [episodes 2 through 9] In The Melancholy of Haruhi Suzumiya Season 2. I didn't add any music to this one. (Just the natural themes, sounds and dialogue with mild-edits in some parts of the vid.)
[To see the AMV based off of this video click here: (When It's done. ^^);]

The 'effect' is sooo eerie to me... and kudos to all artists and Seiyuu For 'redoing' the 'same scenes' over and over but changing the lines and visuals only-so-much... I still have not ever seen anything like this done before in an anime series besides this one released this year. Period.

It took a little while to do this [edited together about 240 minutes over 8 episodes into one less-than 8-minute video for the 'Synopsis Effect' ^^;...]

But ultimately, I didn't do anything but edit.loop some sounds and video effects... You are not getting 'double vision' or anything... every thing you see here is from the actual series The Melancholy of Haruhi Suzumiya Season 2 episodes 2 through 9 [called: 'The Infinite 8'].

It's about giving a 'potential reason' for our protagonists' 'Deja Vu' [Deja Vu - Is it time relooping itself? Not too hard to believe... sometimes... o_o;]

You can read my full review for The Melancholy of Haruhi Suzumiya, Season 2 at:
http://www.tigerm.net/tigerm_writing... for my understanding and review of this this 14 ep. series under the 'Anime Reviews 2009' section. ^_^

While putting this together... I realized that this series of eps on 'Deja Vu' Was as friggin' FREAKY as SAW I - V [see tribute video here: <http://www.youtube.com/watch?v=UHAVs2...>] without even 'trying to be' 'creepy' or 'scary.'
[And with the perk of a 'Fun Summer Theme' and a whole-lot less blood. ^^;]

Indeed... 'The Infinite 8...'

Deja Vu is very much an odd phenomena to me...
And I have not ever seen it explored like this.
[Even if you're not into anime, you should totally check out the AWESOME series: The Melancholy of Haruhi Suzumiya! ^^]
